COMMISSION AGENDA DATE: 10-17-16

TOPIC:

Public Hearing on Road Petition for Vacation of Randall Lane

ACTION REQUESTED:

1. Hear report from staff.
2. Open the public hearing.
3. Receive public comment on the proposed vacation.
4. Close the public hearing.
5. Deliberate on the proposed vacation.
6. Certify whether to grant the petition.

DISCUSSION:

On September 1, the County Clerk received a petition for vacation of a road right-of-way known as Randall Lane. On September 19, the Commissioners appointed Wes Debey, Dennis Pfannenstiel and Ernest Pfeifer as "disinterested householders" to serve as viewers of the proposed road vacation. The County Clerk advertise the petition in her office for at least twenty days and published for two consecutive weeks in a newspaper of general circulation. The Commissioners and the householders appointed as viewers conducted a viewing of the road proposed for vacation, together with a surveyor, on Friday, October 7.

State law next requires a public hearing at which Commissioners hear from interested parties. Following this, the Commissioners and viewers are to certify their decision as to whether the petition for vacation is granted.

FINANCIAL IMPACT:

There is no financial impact to conducting the hearing. If the road is vacated, further action will have to be taken.

TOPIC:

Patrol Vehicle Purchase

ACTION REQUESTED:

Approve the purchase of a 2017 Dodge Ram 1500 SSV Pickup from Lewis Chrysler for \$29,870.00 or \$27,251.82 from GSA.

DISCUSSION:

Patrol vehicles are an essential part in performing required duties for the Ellis County Sheriff's Office. These vehicles are constantly used and are driven in adverse conditions. The Sheriff's Office tries to get around 140 to 150+ thousand miles from each patrol vehicle before they are taken out of service. We will be trading in a 2003 Ford Crown Vic. This was a car used by the jail to transport inmates to and from various appointments they needed to be taken to. We will be replacing it with a 2006 pickup with 150,000 + miles that will be taken off the road when the new vehicle comes in.

FINANCIAL IMPACT:

The cost of the 2017 Dodge Ram 1500 SSV with Trade of \$750.00 for the 2003 Crown Vic is \$29,870.00 or \$27,251.82 without trade as listed above and can be taken from the Sheriff's Office Fund 16 as it has already been budgeted. The 2003 Crown Vic would be auctioned off for an unknown amount.

TOPIC:

Replacement pick-up truck purchase for Public Works.

ACTION REQUESTED:

Approve the Public Works Department purchasing a 2017 Dodge ½ ton 4x4 Crew Cab pick-up truck and authorize the Commission Chair to sign the purchase order.

DISCUSSION:

The Public Works Department is needed to replace a pick-up truck. This vehicle will go into the fleet and replace a 1995 pick-up that was recently sold on Purple Wave auction. I brought this upcoming purchase to the Commissioners in my September 19th 2016 report.

FINANCIAL IMPACT:

The low bid on State contract is in the amount of \$28,466.15 and includes delivery to Hays, Kansas. This bid was submitted by Davis-Moore Automotive Inc. in Wichita. The next bid was \$443.85 more from the local Dodge dealer. See attached bid sheet.

Resolution R-2016-12

RESOLUTION NO. R-2016-12

RESOLUTION OF THE BOARD OF ELLIS COUNTY COMMISSIONERS

WHEREAS, the Board of County Commissioners of Ellis County, Kansas, is authorized by K.S.A. 19-101a to perform powers of local legislation, and

WHEREAS, Ellis County, Kansas, utilizes an optical central scanning system for election tabulation pursuant to K.S.A. 25-4601 et seq., and

WHEREAS, it has been the practice of the Ellis County Election Office that a valid write-in vote must be handwritten and cast in its appropriate place in the ballot, and

WHEREAS, the use of stickers or labels on the optical scanning ballot for write-in voting purposes causes jamming of the scanning equipment because the stickers or labels catch on parts located within the optical scanning equipment, and

WHEREAS, jamming of the scanning equipment by labels or stickers results in all election contests being tabulated manually, and

WHEREAS, the manual counting and tabulating of all county election contests results in higher election costs and time involved, and

WHEREAS, it is the policy of this office that all write-in votes are tabulated at the Ellis County Election Office for tabulation of the programmed races and we continue to see a substantial number of write-in votes cast, and

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF ELLIS COUNTY, KANSAS, that:

It shall continue to be the official policy and practice of the Ellis County Clerk/Election Officer that a valid write-in vote for the optical scanning system shall be handwritten and cast in its appropriate place on the ballot.

BE IT FURTHER RESOLVED that this resolution will become effective upon publication in the official County newspaper.

Letter for Western Kansas Child Advocacy Center (WKCAC)

ACTION REQUESTED:

Approve the attached letter and authorize the Chair to sign.

DISCUSSION:

WKCAC applies to the Governor's office for funding from the federal Edward Byrne Memorial Justice Assistance Grant (JAG). This funding supports forensic interviewer positions, allowing WKCAC to provide these services to their service areas free of charge. WKCAC is requesting, per requirements from the Governor's office, a letter from the Commission Chair in each county stating that the Commission is aware of the grant application and the benefit to our community, and that the Commission supports WKCAC in this.

In the past, WKCAC has sought letters similar to the attached from Sheriffs and County Attorneys. Beginning this year, the Governor's office has instructed them to have just one signature from the Commission Chair rather than from multiple agencies in each county.

FINANCIAL IMPACT:

There is no financial impact to Ellis County. WKCAC applied for approximately \$125,000 for the period Oct. 1, 2016 – Sept. 30, 2017, to cover half of three interviewer positions, and one full time position that will be focused on prevention as well as some fuel for the mobile units where interviews are conducted. Funding has been approved, but the actual dollar amount is not known until approximately a month into the grant year.

NOTICE AND WAIVER

This letter is to confirm the support of our agency for the Western Kansas Child Advocacy Center. Our County looks forward to utilizing and assisting the Western Kansas Child Advocacy Center in providing forensic interviewing services for children and their families.

It is understood that the Western Kansas Child Advocacy Center will provide a direct local benefit and that funding the Western Kansas Child Advocacy Center with JAG funds is in the best interest of the local units of government.

Sale of Dump Truck

ACTION REQUESTED:

1. Find that the 1999 Mack Truck, Model #RD690S with a 15-foot dump body, Unit #2-648, also including an 11 foot snow plow and mounting bracket and a 9-yard Larson stainless steel sand spreader, cannot prudently be used for public purposes.
2. Authorize the County Administrator to enter into private negotiation with the City of Ellis for purchase of said vehicle.

DISCUSSION:

The City of Ellis has been leasing a dump truck from Ellis County Public Works since June 17, and desires to purchase the vehicle. Public Works believes the vehicle is surplus and that they do not have a prudent use for it. Pursuant to state law, your Commission can authorize a negotiated sale of equipment subject to publication requirements. Staff recommends that you authorize negotiations for such a sale. Once negotiations are concluded, staff will return for authorization to publish the time, place and conditions of sale.

FINANCIAL IMPACT:

Currently, the City of Ellis is providing \$3,087 in revenue to the Public Works Department each month for rental of the truck. Sale of the truck will provide funding that can be placed into the Capital Equipment Fund for future truck purchases.
